Flight from Diego Garcia to unknown location and back before Cairo. SSCI records indicate that Omar al Faruq was rendered on this circuit, but it is possible that he was transported earlier, in early June.

## Comments

The Rendition Project reports that the end date of this circuit is the 13th, not the 12th, of February

SAME AS TRP  
EXCEPT  
THEY DON'T  
INCLUDE  
DUMMY

There must have been a flight to Franklin County between 4/24&25

**Comments**

The Rendition Project  
does not list Prague  
as a destination on this circuit

**Comments**

Qaru may have been rendered from Indonesia to Jordan and then Afghanistan on this flight instead of the one above
